GAT CAMP REPORT

From Monday 28th September to Friday 2nd October, I attended a gifted and talented camp at Point Wolstoncroft. My subject was drama. Each day we had a different teacher. One was a puppeteer, the others were actors. We also did other activities such as archery, high ropes, rock climbing and kayaking which were all great fun. Every night we had a night activity like astronomy and karaoke.

It was a great experience and I made a few more friends.

Jack, Year 6.
